Save \$1,000

Save \$1,000 when you purchase an Orion3 and any foot from the Echelon hydraulic ankle family.*

Echelon hydraulic ankle responds to the design specifications that natural movement dictates, fine-tuning joint position to align the body for optimum posture and comfort. New sandal toe design offers a more natural look and provides flexibility of footwear choice.

Echelon VAC incorporates a pneumatic vacuum chamber that works with our Biomimetic Hydraulic Technology to generate an elevated vacuum, helping maintain a secure connection. Quiet operation, no battery or pump required.

EchelonVT provides excellent terrain compliance and rotation, and features an integral shock absorber making it ideal for moderate impact activities that require a high level of energy return.

Save \$500

Save \$500 when you purchase an Orion3 and any foot from our Carbon foot family.*

Esprit low profile foot with split toe springs for energy response.

Epirus low profile foot with ankle joint and split toe.

Javelin lightweight blade, ideal for moderate impact sports and activities.

Elite 2 lightweight activity foot for efficient energy return. Elite VT active foot with integral shock absorption, rotation and flexibility.

Elite Blade flexible lightweight blade for high energy return. Elite Blade VT flexible blade with shock absorption and rotation device.

Discover intelligent microprocessor control you can depend on with Orion3.

“Because Orion3 is so easy to use it doesn't drain me of energy, leaving me with more energy to do other things.” Chris

Take advantage of our “**Try before you decide**” program. You and your patient can experience the features and benefits of the Orion3 in your office prior to making a final decision. First time fitting an Orion3? An experienced Endolite representative will guide you through the fitting and programming process. With the new iOS app you can program the knee in minutes. Contact your Endolite Territory Manager for additional details and to schedule a demo fitting.

60 day performance guarantee on feet
Endolite guarantees you and your amputee's satisfaction with our products. We stand behind our products and provide each customer with the peace of mind that you can return any non microprocessor controlled product within 60 days for any reason, and with no restocking fee. Our policy allows an amputee to experience Endolite's quality and performance while making the final decision for their prosthesis.

*Limited time offer, March 1, 2019 through June 30, 2019. Offer valid in the US on Direct Endolite purchases only. Not available for distribution. Qualifying purchase: Orion3 MPK and foot ordered on one purchase order shipping to the same location. Limited to products shown. To receive promotional pricing use promo code: **PROMO-E** for Orion3 and Echelon family foot, use promo code: **PROMO-SP** for Orion3 and carbon family foot.
