

# How it works

*Because you will be ordering all your products from us, you will also be receiving all your bills from us.*

1

## WEEKLY INVOICES

Each week we will send you a batch of invoices from the previous week's purchases via email.

2

## CONSOLIDATED REPORTS

We will send you a consolidated report showing a summary of your purchases so you can easily forecast for upcoming payments.

3

## ONE PAYMENT

You only have to make one payment to one company one time a week (or however often you schedule your bill payments).

4

## EXTENDED TERMS

Extended terms are available on high dollar items (over \$10,000) to assist you with cash flow.

5

## CUSTOMIZED REPORTS

We can provide customized reports for information you need (average spending, types of products, cost per patient, etc.).
