

# **BREG CERVICAL COLLAR FAMILY**

### INTRODUCING BREG'S NEW SPINE BRACES

Breg's goal is to provide support at every step of the orthopedic care journey to our customers and their patients. When it comes to spine products, that means making patient comfort and compliance top priorities. We've designed our new Pinnacle and Ascend™ lines with premium breathable fabrics and easy-to-adjust features, so patients get exactly the support they need, when they need it most. And since we manufacture these products in house, we are prioritizing patient experience in every detail.

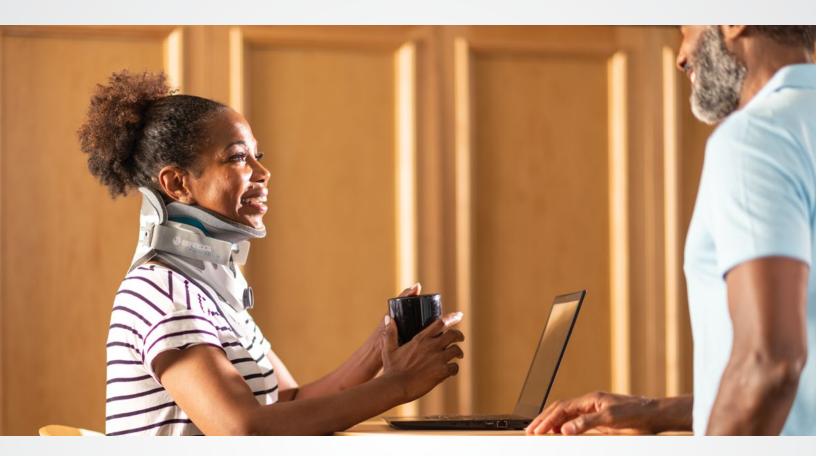

### **Common Examples of Use for Cervical Collars**

- Post-surgical Stabilization
- Cervical Disc Syndrome
- Cervical Stenosis
- Fracture Management
- Sprains / Strains

- Decompressive Procedures
- Cervicogenic Headaches
- Radiculopathy
- Trauma / Whiplash

### PINNACLE CERVICAL COLLARS

Breg's new Pinnacle cervical collars have universal sizing for easy inventory management, plus patient-centric features to improve compliance.

#### Features of our Pinnacle cervical collars include:

Flexible material zones that minimize pressure points

positions for virtually

Antimicrobial cottonhemp blend liners to help prevent skin irritation

Ultra-breathable foam padding to reduce perspiration

An easy-to-adjust chin height dial and twelve adjustment An extra set of pads to allow for continuity of unlimited fitting options care during pad cleaning The Pinnacle family includes three types of collars, so providers can choose the best product for their patients.

Anterior and posterior thoracic extensions provide additional support and control

- + Anterior thoracic extension
- Hulti-Post back panel with pivoting occipital support plates that contour to the patient's head
- Support plate positions can be adjusted to avoid discomfort on the occipital protuberance and nerves

## **ASCEND CERVICAL COLLARS**

Ascend collars come in four adult sizes and five pediatric sizes to accommodate a wide range of patients and anatomical differences.

#### Features of our Ascend cervical collars include:

Mix and match front and back panels separately to accommodate unique anatomies

Specially shaped peripheral support tabs provide increased surface contact area with reduced flexing zone for enhanced comfort

Antimicrobial cottonhemp blend liners to help prevent skin irritation

Ultra-breathable foam padding to reduce perspiration

An extra set of pads to allow for continuity of care during pad cleaning
